RE: ML 43106-BSLS
DOGM Permit # S/003/012

Dear Mr. Mullard,

Lynn Kunzler of the Utah Division of Oil, Gas & Mining recently delivered me a copy of the GPS map which he prepared of the Limelite Green Quarry located upon lands covered by mineral lease ML 43106-BSLS. The Trust Lands Administration will accept Mr. Kunzlers's map in lieu of the mine map requested by my letters of August 24, 2000, and October 2, 2000.

Marsh Advantage America has submitted an acceptable bond rider increasing the amount of coverage by Surety Bond No. _____ from \$7,500.00 to \$25,000.00 for the lands covered by mineral lease ML 43106-BSLS, as requested by my letters of August 24, 2000, and October 2, 2000. I will recommend that the Director accept the bond rider to ensure reclamation of mined lands and payment of rentals and royalties accruing to the mineral lease.

Thank you for your cooperation in this matter.

Sincerely,

John T. Blake
Mineral Resources Specialist
